**Driver Education Sponsorship Information**

The Upper Cumberland Human Resource Agency is a non-profit organization that offers many services to people in the Upper Cumberland area. We have found that there is a real need for driver education training for teenagers and other adults that are eligible for the class but are not financially able to pay for the service.

The Upper Cumberland Human Resource Agency offers a 36 hour driver education course for anyone needing help in qualifying for a Tennessee driver license or driver permit. UCHRA holds twenty driver education classes per year. State Certified Driving Instructors teach students to become safe and responsible drivers.

The UCHRA driver education program which is certified through the Tennessee Department of Safety does not receive money through state funds for program operation and is supported solely by student fees. The full cost for the five (5) week class is \$300.00 per student.

Would you or your company be interested in sponsoring one or more students for the UCHRA Driver Education Training? Yes \_\_\_\_\_ No \_\_\_\_\_

How many students are you willing to sponsor? \_\_\_\_\_ per year.

No more than \_\_\_\_\_ per year.

For additional information please contact Gail Stephenson@ 931-528-1127 or Gerald Allison @ 931-267-6710.
